EDUCATION & EXPERIENCE

M.Tech – Manufacturing Technology
Indian Institute of Space Science & Technology
Thiruvananthapuram | 2025–2027
CGPA: 8.92

B.Tech – Production Engineering
Government Engineering College Thrissur
2020–2024
CGPA: 8.16 | First Class with Distinction

Assistant Executive – Retail Operations
Walkaroo (Cloud Shoes), Coimbatore, Tamil Nadu | Jul 2024 – Apr 2025

- Led a team of 5 managing a central warehouse and 7 retail stores across South India.
- Oversaw engineering works, operations, business development, recruitment, training and process innovations.
- Led planning and execution of the 6th and 7th retail outlets for the company.

SKILLS

Engineering Software: AutoCAD (2D) • Fusion 360 (3D) • Abaqus CAE • MATLAB • Simufact Additive • Ansys Fluent
Core Skills: 3D Design • CAD • CAPP • CAM Programming • Process Optimization • Time Study • Layout Planning • FEA • Manufacturing Drawing

Office Software: Microsoft Office • Google Suite
Soft Skills: Team Leadership • Communication • Empathy

TOPICS OF INTEREST

Additive Manufacturing • Aerospace Materials • Precision Machining • Manufacturing Process planning

PROJECTS

- GTAW of AA7075 and SCC Studies (M.Tech Project at VSSC, ISRO)
- Experimental Study on Materials for Thermoforming (B.Tech Project)
- CNC Plotter (Hobby Project)
- Design and Fabrication of Micro-gravity Simulator (Ongoing Project)

AWARDS & RECOGNITION

- Best Student Award (2023–24) by ISTE Students Chapter, Kerala Section

LEADERSHIP EXPERIENCES

Representative, 1st Year M.Tech Students IIST Thiruvananthapuram • Aug 2025 – Present	Representative of 2025 admission M.Tech students at IIST.
University Union Councillor, GECT College union GEC Thrissur • October 2023 – May 2024	Effectively coordinated relations between College students and University
Joint Convenor – Nueva (21st ISTE State Student Convention) GEC Thrissur • March 2023	Co-organized the state-level ISTE student convention with multi-college participation.
Startup Expo Convenor – Summer Startup Festival GEC Thrissur • May 2022	Organized startup exhibition showcasing student ventures and entrepreneurial projects.

INTERNSHIP

AMCoE, Precision Manufacturing Systems Centre PES IC, **L&T** Ltd, Coimbatore **(June – July 2026)**	Design of shielding systems for printing *Titanium* using **WAAM** Process.
Neyveli New Thermal Power Station (NNTPS) **NLCIL**, Neyveli, Tamil Nadu **(May 2023)**	Industrial exposure to large-scale thermal power plant operations and engineering systems.

INDUSTRIAL VISITS

ISRO Facilities: Vikram Sarabhai Space Centre (VSSC) • Liquid Propulsion Systems Centre (LPSC) • ISRO Inertial Systems Unit (IISU) • Composites Entity (CMSE)

Manufacturing Units: SIFL Forging Unit, Thrissur • Instrumentation Ltd, Palakkad • Larsen & Toubro, Coimbatore
